ARTICLE 1. Chair Moxley called the meeting to order at 7:01 pm.
Members Present: Noordhoek, Richardson, Bruneau, Moxley, Rissi, Noordyke, Rowland
Members Absent: None
Others Present: Community Planning and Development Director Andrea Hendrick, Laura Genovich with Foster Swift, and others listed on the sign-in sheet.

ARTICLE 2. Pledge of Allegiance to the Flag

ARTICLE 3. Approve the current Agenda

Motion was made by Member Rissi to approve the current agenda. Supported by Member Noordyke. Motion carried 7 to 0.

ARTICLE 4. Disclose any conflicts of interest

There were no conflicts of interest disclosed.

ARTICLE 5. Approve the Minutes of the March 4, 2024 Meeting

Member Bruneau corrected Article 6 stating that his name should be spelled “Bruneau”. He also suggested changing the parenthetical in the second sentence of Article 6 to read “even if one does not agree with them”.

Chair Moxley said that Planning Director Andrea Hendrick does not have an “s” on the end of her name.

Motion was made by Member Noordyke to approve the March 4, 2024 meeting minutes with the proposed changes. Supported by Member Bruneau. Motion carried 7 to 0.

ARTICLE 6. Acknowledge visitors and those wishing to speak

There was no one wishing to speak.

ARTICLE 7. Case #24-3819

Applicant: Doug Butterworth on behalf of John Holmes

Property Address: 5882 Cascade Road SE

Parcel Number: 41-19-05-351-056

Requested Action: Special Use Permit for an accessory building that exceeds 832 sf.

Planning Director Hendrick presented the case and explained that the applicant is requesting a Type II Special Use Permit for an accessory building exceeding 832 sf in the

R-1 zoning district near the Watermark PUD. This property is waterfront and the proposed building will be 1,958 sf. There is an existing 200 sf pool house on the property. The main concern noted with this application was the addition of a bathroom and kitchen, which defines this structure as a dwelling unit. Included in the building will be 184 sf of garage space, a 219 sf wood shop room, a ¾ bathroom on the main floor, and the upper level will be 672 sf. The second floor will have the kitchen and living space. The parcel is noted to be 4.4 acres and will be over 180 sf from the neighboring property. Staff recommended this application be denied since Cascade Township does not permit accessory dwelling units.

Member Bruneau interpreted the zoning ordinance to read that one single family could live on their property but were allowed multiple homes. According to Planning Director Hendrick, only one home is allowed per property.

Doug Butterworth (5085 Quincy Street) is the builder and explained the home on the property was built as a multi-generation home for two parents and their married daughter with kids. The idea behind the accessory building was to offer an extra level of separation for hobbies and additional space. He noted that the size of the property allows for two accessory buildings and felt it was better to combine two buildings into one.

Member Rowland asked if the pool building would be removed. Butterworth stated that the Zoning Administrator mentioned that removal isn't required as it falls under 200 sf. Planning Director Hendrick clarified that the pool house would count as an accessory building.

Member Noordhoek sought information on the well and septic plans and Butterworth said the property is served by municipal water.

Motion was made by Member Noordyke to open public hearing. Supported by Member Rissi. Motion carried 7 to 0.

There was no one wishing to speak.

Motion was made by Member Rissi to close public hearing. Supported by Member Noordhoek. Motion carried 7 to 0.

Member Bruneau said the standards in size continue to increase to the point where they are now seeing applications for accessory buildings with bathrooms and kitchens.

Member Rissi understood the need for larger accessory buildings, especially for houses of this size, and the applicant could have two separate buildings with over 1,600 total square footage between the two.

Member Noordyke wanted to hear from the Zoning Administrator, who is absent, regarding the 200 sf pool house and what additional buildings would be allowed. He suggested giving the applicant feedback on alternate parameters to scale back amenities.

Motion was made by Member Bruneau to deny the applicant's request for the Special Use Permit. Supported by Member Richardson. Motion failed 2 to 5.

Motion was made by Member Rissi to approve the Special Use Permit with conditions that the building be no larger than 1,700 sf, the building has only a half bathroom with no kitchen area, lighting must adhere to the ordinance, and the building can not be used as a residence or to run a business. Supported by Member Rowland. Motion carried 5 to 2.

ARTICLE 8.

Case #24-3820

Applicant: Patrick Clay

Property Address: 8230 52nd Street SE

Parcel Number: 41-19-35-100-024

Requested Action: Special Use Permit for an accessory building that exceeds 832 sf.

Planning Director Hendrick presented the case and explained the application is for a Type I Special Use Permit in the ARC zoning district on a 10-acre parcel. The proposed garage is 1,600 sf with a 432 sf porch totaling 2,000 sf and will match the existing house exterior. The pool will be removed before construction. There is also a horse barn that measures 50x32ft. Setbacks meet all township standards and the utilities will not interfere with the proposed building. Staff recommended approval for the Special Use Permit with the conditions listed in the packet.

Patrick Clay (8230 52nd Street) included a document to showcase where the well and septic are located. The pool shed will be removed upon approval.

Motion was made by Member Noordyke to open public hearing. Supported by Member Rissi. Motion carried 7 to 0.

Frederick Byam (8230 52nd Street) is fully supportive of this building. He felt that it fits the natural beauty of the area and there is a need to store agricultural equipment.

Motion was made by member Rissi to close public hearing. Supported by Member Noordyke. Motion carried 7 to 0.

Motion was made by Member Rissi to approve the Special Use Permit with Staff conditions listed in the packet and that the existing pool shed should be removed within 90 days of final building permit inspections. Supported by Member Noordyke. Motion carried 7 to 0.

Member Rissi noted that there are comparable accessory buildings in size to the requested building.

ARTICLE 9:

Case #24-3821

Applicant: Michael Goodsell

Property Address: 4901 28th Street SE

Parcel Number: 41-19-07-353-028

Requested Action: Special Use Permit

Planning Director Hendrick presented the case and explained the applicant is requesting a Special Use Permit to allow a 39,250 sf fitness facility to be located in PUD 30. The site plan will be the same as the plans approved in 1995 with a few minor additions. In PUD 30, it is implied that buildings are permitted to have a 200 sf wall sign but upon reading a letter written by a previous Planning Director, it indicated that the wall sign has to be proportionate to the building size. Per the township's ordinance, the applicant is allowed one 144 sf sign and the PUD implies they are allowed one 200 sf sign. The applicant and Staff agreed to allow a 172 sf sign.

Member Bruneau suggested a condition of approval to include a bike rack or side walk addition.

Thomas Aman, the applicant's attorney, explained the proposed use change is minor and Staff agreed. He believed his client would be happy to incorporate a bike rack and paint for the crosswalk but was unsure of the connectivity of the sidewalk since the distance from the current path is far. Regarding the signage, he saw the PUD allowed for 200 sf, but felt that middle ground had been met with 172 sf.

Motion was made by Member Rissi to open public hearing. Supported by Member Noordhoek. Motion carried 7 to 0.

There was no one wishing to speak.

Motion was made by Member Rissi to close public hearing. Supported by Member Noordyke. Motion carried 7 to 0.

Motion was made by Member Rissi to approve the Special Use Permit and Site Plan Review request of 28th Street Fitness, to establish an athletic club at 4901 28th Street SE, with the following conditions:

- 1. The application and plans submitted by the applicant and signed, dated, and stamped by the Planning Director, shall constitute the approved plans, except if plan elements are amended in this resolution, or do not meet the requirements of the Zoning Ordinance.**
- 2. That the use shall operate according to this application and per the testimony of the applicant.**
- 3. The applicant shall comply with Section VII of PUD-30; furthermore**
 - a. The applicant shall use the space previously allocated to the former tenant in the ground sign located on Patterson and the pole sign facing 28th Street;**
 - b. The allowed square footage allowed for the wall sign located on the south side of the building shall be 172 sf.**
- 4. Permission from the property owner of the offsite sign facing 28th street should be granted in writing.**

5. That the applicant provide bike facilities on site in accordance with Section 19.13.4 of the Zoning Ordinance
6. That the applicant obtains all required permits prior to construction or operation.
7. That any expansion of the approved Special Use requires an additional review and approval by the Planning Commission.

The motion was supported by Member Bruneau. Motion carried 7 to 0.

Motion was made by Member Rissi to remove case #24-3800 from the table. Supported by Member Noordhoek. Motion carried 7 to 0.

ARTICLE 10. Case #24-3800

Applicant: Ali Metwalli for the Al-Tawheed Islamic Cemetery

Property Address: 6670 52nd Street

Parcel Number: 41-19-33-100-014

Requested Action: Special Use Permit with Site Plan Review

Paul Henderson with Rosen Associates stated that they previously had a meeting in December where the Planning Commission gave conditions to the request that have been met. There is additional buffering and plantings along with increased setbacks for grave sites towards the front to 30 ft. There will be a maintenance plan provided contingent on approval.

Member Rowland questioned what the grave blocks would be. Henderson said the bodies will be put in a concrete vault with no bottom.

Member Bruneau said there is a note in the Staff Report stating they were waiting on a verdict from the Kent County Road Commission regarding a cul-de-sac. Henderson clarified that at the previous meeting, a resident was concerned about additional traffic using their driveway to turn around and they wanted a cul-de-sac. Kent County will review this once an entrance application is made.

Member Rowland asked about an exit strategy in case the non-profit was unable to maintain the cemetery. Henderson stated this would be a part of the maintenance agreement to have the township take over maintenance of the cemetery.

Motion was made by Member Noordyke to approve Case #24-3800 for the Special Use Permit and Site Plan Review with Staff conditions listed in the packet. Supported by Member Rissi. Motion carried 6 to 1.

ARTICLE 11. Acknowledge visitors and those wishing to speak

Walter Bujak (6639 Thornapple River Drive) stated he is the Kent County Commissioner for District 21. He thanked the Planning Commission Members and Planning Director Hendrick for being so welcoming and said he appreciates the work they do. Bujak attended the meeting since residents approached him regarding the cemetery application and wanted him to look into the process. Bujak spoke with the Director of

the Kent County Health Department to verify nothing had been missed in this application and was officially approved.

ARTICLE 12. Other Business

Appointment of Planning Commission Secretary

Motion was made by Member Rissi to appoint Member Nordyke as the Planning Commission Secretary. Supported by Member Bruneau. Motion carried 7 to 0.

Michigan Association of Planning Training – Planning Director Hendrick said the training will be held on Monday, April 22 at 7:00 pm.

State of the Department Presentation – Planning Director Hendrick explained there will be periodic meetings held to seek feedback and concerns from Commissioners and to give updates.

Reschedule meetings impacted by the election – Member Rissi proposed that the scheduled meetings be canceled and if necessary, reschedule if there's a need.

Chair Moxley asked what the status of the Farmland Preservation Subcommittee was since they had not met since January. Planning Director Hendrick said she would look further into it.

Member Noordyke noticed that copies of checks had been placed in the meeting packet and wanted to ensure this was not in violation of the Identity Theft Protection Act. Legal Counsel Genovich stated that checks typically include fairly public information and it's not uncommon to see these publicly shared. Members agreed to remove some information on the checks going forward.

ARTICLE 13. Adjournment

Motion was made by Member Noordyke to adjourn the meeting. Supported by Member Rowland. Motion carried 7 to 0.

Respectfully submitted,

Chris Noordyke, Secretary

CASCADE CHARTER TOWNSHIP

5920 Tahoe Drive SE Grand Rapids, Michigan 49546-7140

REQUEST FOR BOARD ACTION

MEETING DATE: May 8, 2024

ITEM: Hotel Licensing Ordinance

PRESENTER: Jade Smith, Township Manager

INDIVIDUAL PRESENT: Michael Homier, Township Attorney

EXECUTIVE SUMMARY:

As discussed at a Board of Trustees work session on April 10, 2024 and at the April 24, 2024 Board of Trustees meeting, certain hotels and motels within Cascade Charter Township have become “hotspots” for emergency service needs, generating a disproportionately high number of emergency service calls. Township taxpayers are subsidizing the disproportionate number of emergency service calls made to these establishments and other Township residents and businesses may be suffering from increased response times and other disadvantages related to this disproportionate use of emergency services by a few businesses.

Between January 1, 2022, and February 27, 2024, the Kent County Sheriff’s Office made 1590 service calls to 13 specific hotels and motels within the Township and incidents at these hotels and motels have led to a far greater number of emergency service calls to the Kent County Sheriff’s Office from the Township. This is also true for the Townships Fire Department.

In recent years a number of serious law enforcement incidents have occurred at these hotels and motels within the Township, including at least one murder and several overdoses from controlled substances.

There are also many online reviews of these hotels and motels that reflect unsafe and unsanitary conditions, lack of adequate staffing, lack of adequate supplies, the presence of bedbugs and roaches, and rooms that do not lock.

In addition to the above concerns, certain hotels and motels in the Township now operate in a manner that is not exclusively or primarily to provide transient accommodations, contrary to the use of those properties as permitted under the Township Zoning Ordinance.

A growing number of communities have adopted ordinances to combat these problems,

including requiring hotels and motels to obtain and maintain permits that require safe operations of those establishments, including the City of Grand Rapids, the City of Southgate, and the City of Battle Creek.

With the information and data attached, the Township finds that regulation and licensing of hotels within the Township is in the best interest of the public health, safety, and welfare of the community.

Since the introduction of the Hotel Licensing Ordinance was approved at the April 24, 2024 meeting and published, the proposed ordinance is now back for the Board of Trustees to consider adoption.

STRATEGIC PLANS/GOALS: Public Health and Safety

BUDGET IMPLICATIONS: None

IMPLEMENTATION PLAN: Upon approval of the ordinance, staff will develop a licensing process, forms and fee based on cost of Township resources to ensure proper role out. The ordinance has been discussed with the Kent County Sheriff's office and an enforcement plan will also be developed that will incorporate introduction and education to obtain ordinance compliance.

DIRECTOR'S RECOMMENDATION: N/A

MANAGER'S RECOMMENDATION: Yes

ACTION REQUESTED: Approve attached Resolution to Adopt Hotel Licensing Ordinance.

RESOLUTION NO. _____

RESOLUTION TO ADOPT HOTEL LICENSING ORDINANCE

At a meeting of the Township Board of Cascade Charter Township, Kent County, Michigan, held in the Wisner Center, 2870 Jacksmith Avenue SE, Grand Rapids, Michigan 49546 on the 8th day of May 2024, at 7:00 p.m.

PRESENT: _____

ABSENT: _____

The following preamble and resolution was offered by _____ and seconded by _____.

WHEREAS, pursuant to the Michigan Charter Township Act (“MCTA”), Act 359 of 1947, MCL 42.1, *et seq.*, as amended, the Township has the authority to enact ordinances for the public peace and health and for the safety of persons and property in the Township; and

WHEREAS, certain hotels and motels within Cascade Charter Township have become “hotspots” for emergency service needs, generating a disproportionately high number of emergency service calls funded by the taxpayers of Cascade Charter Township via extra-voted millage; and

WHEREAS, Township taxpayers are subsidizing the disproportionate number of emergency service calls made to these establishments, and other Township residents and businesses suffer from increased response times and other disadvantages related to this disproportionate use of emergency services by a few businesses;

WHEREAS, between January 1, 2022, and February 27, 2024, the Kent County Sheriff’s Office made 1590 service calls to 13 specific hotels and motels within the Township (**Exhibit A**); and

WHEREAS, incidents at these hotels and motels have led to a far greater number of emergency service calls to the Kent County Sheriff's Office from the Township than the Township's proportion of population and business activity compared to the neighboring townships in that precinct (**Exhibit B**); and

WHEREAS, these hotels and motels generate large numbers of service calls to the Township Fire Department (**Exhibit C**); and

WHEREAS, the United States Department of Justice report observes that "[a] wide variety of problems occur at budget motels," including disturbances, domestic violence, theft, auto theft and theft from autos, public drinking, vandalism, prostitution, drug dealing and drug use, fights, clandestine drug-lab operations, sexual assault, and robbery;¹ and

WHEREAS, in recent years a number of serious law enforcement incidents have occurred at these hotels and motels within the Township, including at least one murder² and several overdoses from controlled substances,³ and sex trafficking; and

WHEREAS, online reviews of these hotels and motels reflect unsafe and unsanitary conditions, lack of adequate staffing, lack of adequate supplies, the presence of bedbugs and roaches, and rooms that do not lock (**Exhibit D**); and

WHEREAS, a growing number of communities have adopted ordinances to combat these problems, including requiring hotels and motels to obtain and maintain permits that require safe

operations of those establishments, including the City of Grand Rapids, the City of Southgate, and the City of Battle Creek; and

WHEREAS, in addition to the above concerns, certain hotels and motels in the Township now operate in a manner that is not exclusively or primarily to provide transient accommodations, contrary to the use of those properties as permitted under the Township Zoning Ordinance; and

WHEREAS, the Township has caused to be prepared an Ordinance to regulate and license hotels and motels within the Township; and

WHEREAS, the Ordinance authorizes remedial action to recover costs sustained by Township residents and taxpayers in providing emergency services and enforcing the law.

WHEREAS, the MCTA requires each proposed ordinance to be introduced in written or printed form, identified by a number and short title and, following introduction of the proposed ordinance, requires the Clerk to publish the proposed ordinance as provided in the Act; and

WHEREAS, pursuant to the MCTA, the Township introduced the proposed Ordinance on April 24, 2024; and

WHEREAS, pursuant to the MCTA, the Township Clerk caused to have the proposed Ordinance posted in the Township's Clerk Office and on the Township's website and caused to have published a Notice of Posting in a newspaper of general circulation in the Township within 7 days of the posting; and

WHEREAS, the Township Board has determined that adopting the proposed Ordinance is in the best interests of the public peace and health in the Township and for the safety of persons and property in the Township.

NOW, THEREFORE, the Township Board of Cascade Charter Township, Kent County, Michigan, resolves as follows:

1. The Township hereby adopts Ordinance No. _____, An Ordinance to Regulate the Licensing of Hotels, attached as **Exhibit E**.

2. The Ordinance shall be filed with the Township Clerk.

3. The Township Clerk shall post the Ordinance in the Township Clerk's office and on the Township's website and shall publish a Notice of Posting (**Exhibit F**) in a newspaper of general circulation in the Township within 7 days of the posting.

4. Any and all resolutions that are in conflict with this Resolution are hereby repealed to the extent necessary to give this Resolution full force and effect.

Midnight cleaning staff not only loud but entered my room.

Originally, my only complaint would have been that the hallways smelled like dead rat... until someone tried entering my room at 11:30 at night. They clearly had a key as the only thing that stopped them from coming in was the peek-guard I had put in place. Not only did nobody apologize or state they made a mistake, but when I called the front desk, nobody answered. I was completely terrified as I had been awoken to someone entering my room and I could not get a hold of the front desk to verify it wasn't some random stranger. After the fourth call to the desk, I called my husband (who was not with me), who called the main BW service number, while I dialed 911 as I now had no clue if someone had gotten a hold of keys and were just entering rooms or what was happening. The BW people could not get a hold of the front desk either and suggested calling the police, which I was already doing. The cops came and it was indeed just a room service person entering by mistake, but here is my question: what hotel has room service cleaning hotel rooms at 1130 at night!?! They were NOT quiet either as they were then blaring music to clean to in the room next to us. It was a horrible experience over-all and I felt safer and more comfortable sleeping in my car than I did in this hotel. Big disappointment.

Low price, good location, infested with bugs

This is a very large hotel with 2-300 rooms. When we arrived at check-in as a platinum member, I expected a decent room or at least as good as they had. Instead they put us at the end of a very long corridor in a small room. The excuse of the clerk was that it was the only one with working AC. In other words, with only a dozen or so cars in the lot, we can assume that some 250 rooms are without air conditioning in the middle of summer. So, we took the room and in the morning when my wife went in the bathroom to get ready for a shower, she discovered very slow moving bugs all over the bathroom. In Michigan, they are called "wood roaches". Not only the room but we discovered that the hallway and the stairwell was fully infested. I took pictures and showed them to the desk clerk who stated that he would tell his manager and I would be contacted. No contact was made. We did not shower, we did not eat breakfast, we just got the hell out of there! We will not be back.

Awful mold smell and dirty bed sheets

The room smelled so strongly of mold that my sinuses were messed up for 3 days after our stay. Pull out bed sheets filthy and was handed sheets to change it myself. Under the sheets the mattress was sticky and gross. Woman at front desk laughed when we asked for housekeeping to change the sheets and told us they were gone for the day as was the manager. Worst night I've ever stayed in a hotel room.

This is a contractors and budget business travel hotel.

Rooms were updated. The rest of this large hotel not so much. All exits were propped open with rocks, beer bottles. Small junk yard in the back of hotel. Contractor boots lining hallway. Shuttle to airport was a half an hour late, this was at 4:30 am. Did I mention we had two young kids with us? The entire front desk has no answers. Either new or the most basic "I don't know" without even eye contact. Saw other employee guest interactions that were the same. If you are a contractor or need a quick room before you fly out? A good bed. If you need to be on a schedule or traveling with your family? This is a 2 star at best.

Responded Oct 19, 2022

Dear Mrsrange,

Thank you for taking the time to leave us this review. We do apologize that you didn't completely enjoy your time with us. We do find this difficult to believe though as at the time you were being told that you could not have a child's birthday party in the hotel room or pool area. As stated, while you were here, we do not allow more then the fire code occupancy of adults and children in the room or pool area. We also offered to move you to a different room as you stated this complaint about your room, but you would need to only have the fire code occupancy number of guests in the room. Which you declined to do. Our housekeeping is well trained and takes pride in the work they do. It is very unfortunate that we were not able to work this out together during your time with us, but we must maintain the state and local laws. As well as our hotel policies with all guests in order to ensure that all our guests have a safe and enjoyable stay.

Worst best western Ever

We are with the fortune 500

We arrived to check in women with big breast refuse to give her name

She continues to yell as we are tired just wanted a room telling us off and we should leave screaming at my husband harassing him we asked for manager she said he quit

We arrived at the room smelt like sewage

Went back another worker named Adam

This guy was on drugs couldn't even speak stumbling around we left

Best western we will be posting this best western to be off the list of nice motels
And to be closed or abandoned dump

We don't want a refund we are taking this to the owners and suing

Worst place I ever seen drug dealer dope smoking in building

I hope the manager fixes this I will be posting on our site how bad this motel is

Never again EVER

This is the worst BW I've ever stayed at and have stayed at many. Security issues with exterior doors not latching; TV didn't work in the first room and the door latch did not work properly in the second room provided; AC did not work. Staff is very friendly which is this locations only positive.

Very poor quality

Smelled horribly like mildew. There was little security with all the entry doors constantly propped open. An SUV with people and children was parked near the back doors ALL day smoking weed and meeting with others (obviously performing illegal activities) until late at night all three nights we were there. The internet would not connect to our phones about 50% of the time, the treadmills were broken, the door to our room had to be pulled shut hard or would not lock. Random people from the said parked car were in and out of the hallways all day. The room next to us clearly smelled like cigarette smoke into the hallway. There was a spot of blood on the ceiling above the bed. It was small but still apparent blood. The hotel was so bad we just laughed about it because we couldn't find anywhere else that wasn't already booked for the days I needed to be in the area. We made the best of our experience by passing jokes to ourselves but I will honestly never stay here again!

Individual asked if he could buy drugs off me.. smells like cigarette smoke terrible in the hotel hallways.. individuals propping the back doors for anyone to walk in. Individual knocked at our door one day, he was on some sort of drug you could tell. He was trying to find his friend he told us..my guess was he was trying to find his drug dealer.. called for towels the first night and they told us they were all out of towels.. we had to wait till the next afternoon to get any.. also there was blood on my pillow..

We checked into our room my daughter and I. It was around 10pm we had just laid down. When all of a sudden we heard people outside our door trying to get in. They were kicking the door and everything. I opened the door to find 2 men and women and some kids. They didn't look friendly and were looking in our room. I immediately locked the door and called for security to escort us out. I will never be staying there again. The door appeared to have been previously kicked in because the latch you put over it was hanging off.

Decided to give it another shot. The first time here, our room had bedbugs, but they were VERY understanding and helpful. They upgraded our room to a suite, gave me quarters and laundry soap to wash everything and bags as well. I'm super pleased with how it was handled, which is why we gave them another shot.

Please do not go here, stay any where else besides here. I was charged even though I DID NOT stay here. After going to our first room, the smell of cigarette smoke hit you in the face. We asked if we could get a new room and they took us to one. This one was much worse. The curtains and sheets had blood stains on them and the shower was completely dirty. When you walk into the room and through the halls, they attempt to cover their foul smell with febreze air fresheners. It smells like garbage. After not feeling safe or clean, we went to the front desk to tell him. He did not care what so ever and said if we felt like it was dirty we could leave, so we did. After calling the management they told us that they would "get back to me" and never did. The costumer service is awful. They also say they have a pool, but when you go in it's actually closed and has been for a minute but they won't tell you that before booking. Please beware and stay anywhere else.

Reservation under the provided name: We've thoroughly checked our system but couldn't find any reservation under the name you provided. We're actively investigating this to ensure all guest reservations are accurately recorded.

Refund processing time: We understand the importance of a prompt refund process. While our standard procedure may take several days due to banking timelines, we are making efforts to expedite this process. Your patience is greatly appreciated.

Pool availability: We want to clarify that our pool has been open for guests, with the exception of a brief closure for maintenance adjustments. This closure was limited to just a couple of hours to enhance the overall experience for our guests.

My experience was bad. The bed had bugs. I'm not sure if they were roaches or bed bugs, but they were crawling all over the pillow. I didn't notice them until I woke up. I felt like something stung me on my hand. I made sure to take video and pictures of the bites. My eye even got swollen. I'm frustrated because they will not refund the money from the 2 days I did not use. I do not recommend this hotel at all. I am now going to go higher up so I can get some type of compensation. Wish i could post the video. Just so frustrated with this place and now I'm uneasy about staying at hotels.

Looks like there has been an effort to update the hotel recently, but the overall details have been missed. Example - room was obviously repainted and refurbished. However, caulking in the bathroom was not complete and the toilets were loose. The window seals were poor and there were gaping holes around the edges, which allowed the smoke from the portable grill outside to fill the room. With the smoke and whatever was still in the carpet, our allergies were out of control when in the room.

The lobby and breakfast area looked lovely, but the temperature was wildly different between the floors. Made it uncomfortably hot in the upstairs breakfast area. The gentlemen working the breakfast area did their best to keep everything stocked, but they were still running short on items due to delivery issues.

The pool was excellent, especially considering the size and 9 foot depth. However, there were never enough towels at any time of day. Sadly the hot tub is filled in.

Lastly, please know there is an additional driveway half a block East around the corner. ENTER THAT WAY if you value your life. Getting in from the main drive off the road is treacherous as the turn lanes do not line up correctly with the driveways across the street.

Overall an average experience that could have been memorable with some attention to details.

The hallway going towards the room on the second floor smells like a sewer backup, and once you opened the door to the room it was even worse. We left for a different hotel. And even worse, they left one poor guy alone to run the entire place on a Saturday night. His manager wouldn't pick up the phone either. He was taking calls, handling pool issues, and anything else that came up. We felt really bad for him.

Update 8/22/23: Adding more information since this hotel's management thinks we (and you) should pay for a hotel room we couldn't sleep in. Some of the exit signs are broken and falling off the ceiling, and the window was screwed shut with caulk on the sides. OSHA violation much? Wouldn't want to be here if a fire happened.

Absolutely Awful. I lost about \$300 because the property told me I had a reservation for the day I booked. They cancelled it and I had to find another hotel to stay in. Which cost me another \$400 because it was last minute. Cannot express anger enough with the whole establishment and the pain I went through to get my money back. Which I didn't. Because they ignored all my emails and call, rejected my refund, and more. The most terrible experience I ever had with a hotel. Do not stay here, they do not care about you or your finances. They are a scam! Out almost three hundred dollars for ONE night.

"The worst experience."

What did you like most?

Was there anything you didn't like?

Awful. 3 am I hear water pouring, I think one of the kids left the sink on after going to the bathroom in the middle of the night. I get up to go turn it off and also wipe out slipping on a massive amount of water on the tile floor. I put a towel down onto the tile and then all of a sudden the ceiling tiles are falling and water is pouring from the ceiling. Once we realized where water was coming from I turned on the lights and to my surprise I see a cake pan hanging. Clearly an attempt to fix a known leak in the ceiling. Nothing was done by the night time worker. When we called front desk to tell her the ceiling tiles had collapsed and water was pouring in she said well it is raining outside.. we were on the second floor of a three story hotel. Towels were what we were offered. We had our children with us. The whole room was up from 3 am on. Horrible customer service from Mary behind the desk.

What did you like most?

The cleanliness of the hotel.

Was there anything you didn't like?

Upon arrival there were two clerks on duty. There was an interracial couple checking in and the clerk kept making snide remarks about the African American man. They both ignored her comments and held their composure. I thought the comments were very rude and unprofessional. This same clerks refused to check me in and walked away from the front desk. I asked the other clerk was there a manager on duty, she replied she was . I asked her did you just witness what happened the clerk replied, well she is busy. I then replied she is just standing there. At that point a Caucasian woman came in the clerk was very friendly with her. I asked the other clerk / manager did you see that. I then said I understand the clerk refused to check in African Americans. I want to know is this how you business should be represented , I dont think so. Now, I have a bitter taste for your chain of hotels and will never do business with them again . Im so disappointed and Im going to share this with all my friends and associates.

The hotel had a bad smell, worn down throughout and unfriendly staff. Shady characters lurking in parking lot at all times. Pool was disgusting. Elevator not running properly and even stopped for no reason in middle of floors. The room smelled so bad we had to purchase room spray to handle it for 1 night. Only stayed because we couldnt find another hotel in area. I will never return ever.

Kristin

What did you like most?

The front desk staff were decently nice, and accommodating in a late check-out request and IHG points. Spacious kitchen, though didn't get a chance to meal prep because of the issues listed below.

Was there anything you didn't like?

The hotel was decently quiet, although with no housekeeping (COVID times, understandable), towels and garbage were lining the hallway. In my room, the AC would not go below 73 degrees, and the window would not crack open to let a breeze in as intended. I was killing bugs every single night; in the shower, on the bathroom and closet area. I literally watched several crawl into the walls when I went to get water in the middle of the night. The only reason I didn't check out early, was because of my budgetary constraints.

The hotel rooms were a little run down. You could see damaged ceiling tiles, stains in the hallway carpet, and poor drywall rouch-ups. But all and all it met my expectations for the price point.

Great improvement from when I had planned on staying here over a year ago, and I walked back out the door asking for a cancelation because it was just not meeting my expectations at the time.

This time, however, check-in was friendly, the room was satisfactory, there was no noise, and no smell of Marijuana coming from the hallway. A decent place to stay for the price.

If your last name is Flintstone, you might like the rock hard beds here. Booked in the IHG app, but they couldn't find the reservation. Obviously running on old, outdated everything and the hotel facilities show its age. Room smells smoked in and the stench of marijuana is everywhere throughout the hotel. There's nothing on this side of town except some chain locations and sketchy characters galore.

My family and I were staying at the Clarion. Monday we were supposed to check out but we decided to stay another day. I called this day after let them know that I would be renewing my reservation and they said that was fine and just pay it when I got back. So later that day after work we got back to the hotel and can't get in our room. Some other lady answers our hotel room door. They rented our room out to somebody. They went through all of our stuff and took it out of the room. When we got our stuff nearly everything we owned was gone. I'm talking down to soaps underwear toys you name it We had four trash bags of clothes and two suitcases and barely had enough to fill one suitcase. My son's toys were gone food soap etc. They made no effort to rectify the situation so I figured I'd talk to them in the morning. The next morning I go to talk to them and they tell me I'm not allowed to leave my room because the police are questioning the owner. The police seem upset with him and are asking him questions about prostitutes. They refuse to let me leave so I had to take my children out the back door in order to get them to school. Upon returning they told me no they didn't see my stuff and seemed irritated that I was still even bothering them with it. I packed up my family and left and a lady was mad that I left. My children had brand new clothes with the tags still on them that they never even wore. Don't stay here if you want to keep your stuff

1.) Customer service skills for certain front desk agents. (I only encountered 2 that were friendly the entire week) 2.) The fire alarm went off 3x in a 48 hour period. The alarms in the room were so loud we were forced out into the parking lot. Each time was between midnight and 4am. Having to be up at 5am this really ruined what should have been a good nights sleep. The doors and walls are so thin, it sounded like my neighbor was slamming my bathroom door. Room had an ironing board with no iron. And when I asked for one I was told there was none, no offer to get one from one of the rooms undergoing renovation, and when I asked him to, he was very short with his no reply.

The room reeked of cigarette smoke, the tub had a dirt ring on the inside and the outside was so dirty! In addition, booking.com, didnt offer any compensation and advised that we would have to eat the price increase for the new motel. It should be rented by the 1/2 hour, if you know what I mean!

ROACHES!!! When I went to my room I noticed there was a bunch of dressers in the hallways taped off with caution tape- thought nothing of it - thought maybe they were going to refinish- get new dressers or something. But that all made sense when after we put our food up in the fridge there was a roach crawling around! One in the fridge and we seen another on the wall!!!! If you see one or 2 you know the rule.. there is many many more if you see one or 2 roaches! This was the /nc floor and not 1st floor by a door. So I left went downstairs with a picture and video and dead big in a tissue- I left obviously because I didn't want to bring any roaches home and the dressers in the hallways then made sense!! They took them out to spray the room and/or spray the dressers! He said that it was the first time they have seen this but there is no way! If I could give 0 stars I would!

Customer service is rude, you have to exchange your own towels they don't have room service. They won't give you extra towels if needed they tell you they need the other ones first. Plus they towels they leave in your room are stained and still dirty. Definitely recommend bringing your own towels.

Thanks for choosing to stay with us, Michael! I am sorry to see you were upset with having to exchange towels and also not being able to get extra towels. This may happen sometimes when towels are running low. It's important for us to impress our guests and your comments will make this goal that much more attainable.

I'm thrown off just by the man picking up the phone to confirm they in fact do not have a kitchen as they advertise on here. It's simply a fridge and a microwave.. like most other motel/hotels, price seems decent but Im getting shady vibes here man.

EXHIBIT E
[ORDINANCE]

CASCADE CHARTER TOWNSHIP

ORDINANCE NO. 24-_____

AN ORDINANCE TO REGULATE THE LICENSING OF HOTELS

THE CHARTER TOWNSHIP OF CASCADE ORDAINS:

Section 1. New Chapter 267. New Chapter 267 is added to the Code of the Charter Township of Cascade, and states as follows:

Section 267-1. Title

This Chapter may be known and referred to as the “Cascade Charter Township Hotel Licensing Ordinance.”

Section 267-2. Purpose & Findings

The purpose of this Chapter is to protect the health, safety, and welfare of Township residents and visitors by requiring and maintaining adequate standards for establishments providing accommodations to transients and guests within the Township. Enacting this Ordinance, the Township Board finds as follows:

- a) Certain hotels and motels within Cascade Charter Township have become “hotspots” for emergency service needs, generating a disproportionately high number of emergency service calls funded by the taxpayers of Cascade Charter Township via extra-voted millage.
- b) Township taxpayers are subsidizing the disproportionate number of emergency service calls made to these establishments, and other Township residents and businesses suffer from increased response times and other disadvantages related to this disproportionate use of emergency services by a few businesses.
- c) Between January 1, 2022, and January 30, 2024, the Kent County Sheriff’s Office made 1590 service calls to 13 specific hotels and motels within the Township.
- d) These hotels and motels generate large numbers of service calls to the Township Fire Department.
- e) In recent years a number of serious law enforcement incidents have occurred at these hotels and motels within the Township, including at least one murder and several overdoses from controlled substances, and sex trafficking.
- f) Online reviews of these hotels and motels reflect unsafe and unsanitary conditions, lack of adequate staffing, lack of adequate supplies, the presence of bedbugs and roaches, and rooms that do not lock.
- g) A growing number of communities have adopted ordinances to combat these problems, including requiring hotels and motels to obtain and maintain permits that require safe operations of those establishments, including the City of Grand Rapids, the City of Southgate, and the City of Battle Creek.
- h) In addition to the above concerns, certain hotels and motels in the Township now operate in a manner that is not exclusively or primarily to provide transient accommodations, contrary to the use of those properties as permitted under the Township Zoning Ordinance.

- i) Cascade Charter Township (“Township”) finds that regulation and licensing of hotels within the Township is in the best interest of the public health, safety, and welfare of the community.
- j) The fines and costs reflected in this Ordinance are remedial and allow the Township to recover costs sustained by Township residents and taxpayers in providing disproportionate emergency services and are related to the cost of enforcing the law.

Section 267-3. Definitions

For the purposes of this Chapter, the following terms are given the following meanings. To the extent that a definition below conflicts with a definition found in the Township Zoning Ordinance or other Township ordinance, the definition below controls for the purposes of this Ordinance.

Accommodation(s). The room or other space provided to transients and other guests for lodging or sleeping, including furnishings and other accessories.

Extended stay hotel. A building or group of buildings containing units (a bedroom, closet, and a bathroom) or rooms, and a full kitchen (sink, refrigerator, and stove), which provide for accommodations for temporary residence by persons for non-transient extended stays or stays longer than thirty days. The purpose of an extended stay hotel is to provide accommodations for persons displaced from their permanent residence by a force majeure, or for persons relocating because of a change of employment (position, location, career, or otherwise). Extended stay hotels are not permanent residences or domiciles and do not include “dwellings” or “dwelling units” as defined by the Zoning Ordinance. “Force majeure” means things like fires and natural disasters that affect specific persons or families; it does not include economic or societal conditions. Extended stay hotels are not residences for homeless individuals or families (like shelters) or for individuals seeking permanent or temporary shelter due to immigration or asylum requests or status.

Hotel and/or motel. A building or group of buildings containing accommodations for transient persons for compensation for periods of thirty consecutive days or less, and permitted under the Township Zoning Ordinance as a hotel or motel.

Licensed establishment. Any premises licensed pursuant to this Chapter.

Township Manager. The Township Manager or the Manager’s designee.

Transient. A person lodging for compensation in any hotel, motel, or extended stay hotel for a period of thirty consecutive days or less.

Section 267-4. License Required

- a) No person, firm, corporation, or other entity may operate a hotel, motel, or extended stay hotel within the Township without first having obtained an annual license for that purpose from the Township Manager. In the first year following the effective date of this Ordinance, applications shall be submitted no later than October 1, 2024. Any annual license, whenever issued, expires December 31 in each year following the date of issuance, unless sooner suspended or revoked pursuant to this Ordinance or for any other reason. Licenses shall only be transferrable to any new owner/operator upon approval of the Township Manager and following inspection to ensure all of the requirements of this Ordinance are fulfilled, including an application with the information of the new owner/operator. Renewals of licenses on an annual basis, with no change in ownership or operator will not

require another application, but shall require a new license, including payment of a license fee and inspections. The Township Manager may impose reasonable conditions upon the issuance of any license, including without limitation the conditions of this Ordinance or other applicable law.

- b) Application for such a license must be made to the Township Manager and shall include the application fee, to be determined from time to time by resolution of the Township Board, which shall be used to offset the cost of inspections, enforcement, and other administrative costs related to this Hotel Licensing Program.
- c) The fee for a license shall be determined from time to time by resolution of the Township Board, which shall be used to offset the cost of inspections, enforcement, and other administrative costs related to this Hotel Licensing Program. No license may be issued pursuant to the provisions of this Article unless the premises to be licensed is in compliance with all applicable federal, state, county, and Township regulations and only after all applicable fees, including but not limited to application and license fees, are fully paid.
- d) The Township Manager may refuse to issue or renew a license for good cause. “Good cause” is defined by Section 267-8.

Section 267-5. Plan of Operation

Applicants must submit a comprehensive, written plan of operation that must be approved by the Township Manager before a license may be issued. Material changes to a plan of operation must also be approved by the Township Manager. Failure to comply with all applicable regulations or material variance from the plan presented may result in nonrenewal of a license or in revocation of the license.

The Township Manager must develop and publish a list of required information and materials for a plan of operation.

Sec. 267-6 Duty to Maintain Guest Register

The proprietor, manager, desk clerk, or any other person in charge of any hotel, motel, or extended stay hotel must maintain a register for not less than 1 year of the following information for any person renting any bed, room or rooms and any person that occupies such rented bed, room, or rooms, at the time of arrival:

- a) Name;
- b) Home address;
- c) Make, year, color, state of registration, and license number of the motor vehicle in which each guest arrived, if the motor vehicle will be kept on the premises during the guest’s stay;
- d) The room, rooms, or space rented or assigned to each guest and the time of arrival of each guest; and
- e) Where two persons occupy the same accommodation and at least one of the persons is a minor, the relationship of said person must be noted on the register.

Sec. 267-7 Unlawful Registration or Occupancy.

- a) No person may knowingly enter into any register required by this Article any false, incorrect, or inaccurate information.
- b) No person may occupy any room, rooms, or space in any hotel, motel, or extended stay hotel unless and until the information provided in Section 267-6 is entered in the required register.

Section 267-8. Violations and Penalties.

In addition to the remedies available to the Township under Article V of the Township Code (“Code Violations and Enforcement”), violations of this Chapter may result in the following remedial action in order to recover costs sustained by Township residents and taxpayers in providing emergency services and enforcing the law:

- 1st offense: \$5,000 fine
- 2nd offense: \$10,000 fine
- 3rd and subsequent offenses: \$20,000 fine

For subsequent offenses or for good cause following any offense, the Township Manager may suspend, revoke, or refuse to renew a license provided pursuant to this Chapter. “Good cause” as used in this Chapter includes the performance or omission of any act, or permitting of any condition to exist, that in the opinion of the Township Manager constitutes:

- a) Fraud or material misrepresentation in the application for license.
- b) Fraud or material misrepresentation in the operation of the licensed business.
- c) Any material violation of this Chapter or its regulations.
- d) Any violation of applicable law that creates a risk to the health, safety, or welfare of persons or to the public, or brings into question whether the licensee is suitable to operate the business.
- e) Conducting the business in an unlawful manner or in a such manner constituting the maintenance of a nuisance upon or in connection with the licensed establishment. For purposes of this Chapter, “nuisance” is given the normal and customary meaning and includes without limitation the following:
 - 1) Existing violations of building, electrical, mechanical, plumbing, zoning, health, fire, or other applicable regulatory codes.
 - 2) A pattern or practice of guest conduct that is in violation of the law and/or interferes with the health, safety, and welfare of nearby properties.
 - 3) Failure to maintain the grounds and exterior of the licensed establishment, including litter, debris, or refuse blowing or being deposited upon adjoining properties.
 - 4) Failure by the licensee to permit the inspection of the licensed establishment by the Township’s agents or employees in connection with the enforcement of this Chapter.

- 5) Failure of the licensee to timely pay personal property taxes; other Township obligations, including the payment of fines and fees as provided by Section 267-9; and real property taxes arising from their use and occupancy of the property. A licensee who does not own the real property is not responsible for the payment of the real property taxes unless the lease requires such payment.

Section 267-9. Delinquent Payment and Fee and Fine Recovery

- a) The fines and fees authorized by this Chapter are due within 30 days after the Township mails a billing statement to the licensee or responsible person or entity.
- b) If the fine or fee is not paid within the 30-day period, it is deemed delinquent and a 10% penalty is added.
- c) If the fine or fee becomes delinquent, the Township may seek a monetary judgment and collection of that judgment, or any other legal or equitable remedy available.

Section 267-10. Hearing and Appeal.

Any person whose initial request for a license is refused or has their license suspended, revoked, or not renewed may file a written request with the Township Manager for a hearing before the Township Board within ten days of service of the refusal, suspension, revocation, or nonrenewal.

Upon receipt of a request for a hearing, the Township Board must hold a public hearing on the matter not less than 10 but not more than 45 days following the filing of the request. Following the hearing, the Township Board must affirm, reverse, or reverse with conditions the action of the Township Manager.

Section 267-11. Rules and Regulations

The following rules, regulations and conditions must be observed by each licensee under this Chapter:

- a) All accommodations must afford easy and unobstructed access to a hall or passageway to the outdoors.
- b) Rooms must be kept clean and free from dirt, vermin, garbage and rubbish.
- c) Clean sheets, pillowcases, and towels must be provided before a guest may occupy a bed previously occupied by another registered guest.
- d) The cooking of food in or upon the premises is prohibited, other than in a kitchenette facility in compliance with applicable codes and regulations, and approved by the proper authorities designated in those codes and regulations. The use of hotplates or similar equipment that can be utilized to heat or cook food is prohibited. A notice to this effect must be conspicuously posted in each accommodation.
- e) The register required by Section 267-6 must be located and accessible near the lobby entrance.
- f) No licensee may knowingly permit any accommodations and/or other location on the premises to be used for an unlawful purpose.

- g) All licensees must permit free access by the Building Official, Fire Chief, Township Manager, or their representatives at all reasonable times.
- h) Except as provided by Chapter 85 of the Township Code, accommodations may not be made available for a period in hourly increments nor may any accommodation be made available more than one time during the eighteen hour period of 12:00 noon to the following morning at 6:00 a.m. The right to occupy any accommodation may not be assigned or transferred. No transient may obtain accommodations at any establishment for more than thirty consecutive days, except as provided in Section 267-12.
- i) Occupancy of a room may not exceed more than two persons for every one bed with a maximum of four per bedroom.
- j) Each room of every establishment must receive daily housekeeping/cleaning and inspection.
- k) Additional security requirements:
 - 1) A video surveillance system (VSS) must be installed within one year of the effective date of this chapter. All VSS must have no less than one camera dedicated to each register or check-out stand, entrance/exit, interior hallway, and lobby, swimming pool area, exercise facility, loading dock, and parking lots or areas designated for customer and/or employee parking use. Recording must be backed up and kept for a minimum of thirty days.
 - 2) At licensed facilities where accommodations are generally accessible from inside an enclosed building or structure (like a hallway or lobby), exterior doors (other than lobby doors) must be secured from the outside between the hours of 9:00 p.m. and 6:00 a.m.
 - 3) All exterior doors to accommodations must be capable of locking or have automatic locks.
 - 4) Any accumulations of snow must be removed from the licensed establishment in a timely manner and such snow removed from parking lots and all other areas of the licensed establishment may not be placed on adjacent public easements, sidewalks, or on or near a fire hydrant.
 - 5) Each occupied accommodation must have a working telephone with access to 911 emergency services.

These Rules and Regulations must be posted in a conspicuous location near the lobby.

Section 267-12. Requirements for extended stay hotels

Longer term occupancy (more than 30 days) of accommodations may be permitted in a licensed extended stay hotel approved for such use under this Ordinance and subject to the limitations of the Township Zoning Ordinance and any applicable permit or approval, subject to the following limitations:

- a) Each unit must be a minimum of 300 square feet in area, exclusive of bathroom, closet, or balcony space.
- b) Minimum of 1,000 square feet for recreational use by guest.

- c) A registration lobby staffed on a twenty-four hour daily basis must be provided.
- d) Stays greater than 120 days at an extended-stay hotel are prohibited except when:
 - a. A written contract or documented agreement exists between an extended-stay hotel and a business, corporation, firm, or government agency.
 - b. Documentation, consistent with HIPPA privacy rules, confirms that a guest is considered family or caring for a patient admitted in a local hospital.
 - c. Where a hotel guest has been relocated from their home by a natural disaster, fire, or other documented displacement.
- e) Occupancy limits must be established for each unit based on available sleeping space and fire safety to be approved by the Fire Chief.
- f) Daily or weekly services for each accommodation of linen change, towel change, soap change, and general clean-up must be provided.
- g) The licensee must provide a report to the Township Manager on a quarterly basis (January 1st, April 1st, July 1st, and October 1st of each calendar year) of the number of accommodations being utilized in excess of thirty consecutive days. The quarterly report must include:
 - a. The correct name and address of every guest renting or occupying an accommodation, including without limitation, non-paying minors and/or dependents.
 - b. The date and time of check-in and date and time of check-out of every guest who has utilized an accommodation in excess of thirty consecutive days.
 - c. A description of the specific accommodation, including the dimensions of the accommodation, the existence of a kitchenette and available appliances, the existence of a bathroom, the number of beds, and a description of any other appliances or facilities available in the specific accommodation.
- h) For the purposes of this Ordinance, an extended stay hotel may not be used as a permanent residence or domicile and does not include “dwellings” and “dwelling units” as defined by the Zoning Ordinance.

Section 267-13. Appropriations and Enforcement

To the extent permissible by law, the Township Board may from time to time by resolution appropriate funds raised for police and fire services, and the Township may contract with relevant agencies, to enforce and implement this Ordinance. If the Township Manager delegates enforcement or implementation of any provision of this Ordinance to a non-Township controlled agency, such delegation is only effective following approval by the Township Board.

Section 2. Severability.

If a court determines that any provision of this Chapter is invalid, the remaining provisions of this Chapter remain in full force and effect.

Section 3. Repealer.

Any ordinances in conflict with this ordinance are repealed to the extent necessary to give this Ordinance full force and effect.

Section 4. Effective Date.

This Ordinance takes effect 30 days after notice of adoption is published.

REQUEST FOR BOARD ACTION

MEETING DATE: May 8, 2024

ITEM: Tris4Health/Mary Free Bed YMCA Youth Triathlon

PRESENTER: N/A

INDIVIDUAL PRESENT: N/A

EXECUTIVE SUMMARY: Tris4Health, a Michigan based endurance event management company, reached out to the Township to request road closure for a youth triathlon to take place on Sunday, August 18, 2024. They are collaborating with Mary Free Bed YMCA, located in Cascade Township, to create a signature event that takes advantage of the YMCA's indoor pool. This would fill a perceived gap in the area for competitive youth triathlons. Since the event would involve children riding their bikes in the road, the road would need to be completely closed. As the event would take place between 7 a.m. and 10 a.m. on a Sunday, the closure is expected to have a minimal impact on travel times. If the resolution is approved, Management Office Administrative Assistant Stine will work with the Road Commission and receive their approval before providing Tris4Health and Mary Free Bed YMCA with both approvals.

STRATEGIC PLANS/GOALS: "Enhance local community spirit by means of planning and implementing various community events, festivals, business showcases, and other happenings."

ACTION REQUESTED: Approve the Resolution to Close Roads on Sunday, August 18, 2024 for a Youth Triathlon.

At a regular meeting of the Township Board of the Charter Township of Cascade held on May 8, 2024, the following Resolution was offered for adoption by Member _____ and was seconded by Member _____.

**A RESOLUTION APPROVING STREET CLOSURES ON
SUNDAY, AUGUST 18, 2024 FOR A YOUTH TRIATHLON.**

WHEREAS, Tris4Health and Mary Free Bed YMCA would like to hold a youth triathlon on Sunday, August 18, 2024; and

WHEREAS, on Sunday, August 18, 2024 they will need to close the following streets from approximately 7:00 a.m. to 10:00 a.m.:

- Burton St. from Spaulding to Tallgrass

WHEREAS, Burton St. is a primary street; and

WHEREAS, Tris4Health is working with the Kent County Road Commission and Kent County Sheriff Department regarding this request.

NOW, THEREFORE, BE IT HEREBY RESOLVED: the Cascade Charter Township Board approves the request for the street closures on August 18, 2024 from 7 a.m. to 10:00 a.m.

BE IT FURTHER RESOLVED: that the Cascade Township Board hereby directs the Clerk to forward this request to the Kent County Road Commission for the necessary permit.

ITEM: Myasthenia Gravis Foundation of Michigan Charitable Gaming Licensing for May 25, 2024

PRESENTER: N/A

INDIVIDUAL PRESENT: N/A

EXECUTIVE SUMMARY: . The Myasthenia Gravis Foundation of Michigan (MG-MI) was founded in 1976 as a volunteer chapter of the national Myasthenia Gravis Foundation of America. In 1988 they hired their first part-time Secretary. In 2015, the National Foundation went to all volunteer chapters. Not wanting to lose their staff, MG-MI applied for and was granted non-profit 501(c)(3) status. They have been a tenant at Cascade Office Park since 2011.

Myasthenia Gravis (MG) is an autoimmune, neuromuscular disease. MG-MI provides information, education, support, and resources to over 400 MG patients throughout Michigan.

To comply with Michigan laws, MG-MI applied for a small raffle license for their MG-MI MovesMG event (flyer attached) to be held at Cascade Township Park on Saturday, May 25 where they conduct raffle drawings for attendees to win prizes that were donated in-kind by local vendors. Event attendees are MG patients, their family and friends. They applied for a one-time license for the sale and drawing of ticketed prizes from 9:00 to 11:00 a.m. They have conducted this type of drawing at their annual summer fundraising event since 1980. Until the Bureau of State Lottery changed their rules, they were not required to obtain a Local Governing Body Resolution for Charitable Gaming License, but now require one to hold the raffle.

MG INFORMATION

Myasthenia Gravis Foundation of Michigan

Myasthenia Gravis (MG)

The Reality of MG

Symptoms

- * Blurred or double vision
- * Involuntary drooping eyelids
- * Nasally voice, usually after prolonged talking
- * Difficulty chewing and swallowing particularly toward the end of a meal
- * Weakness in the arms and/or legs
- * Loss of facial expression, including the ability to smile
- * Difficult or shallow breathing

Myasthenia Gravis (pronounced My-as-teen-ee-a Grav us), also known as “MG” is a serious autoimmune neuromuscular disease that manifests itself by varying degrees of weakness. For unknown reasons, the immune system of MG patients produces antibodies that attack the neuromuscular junction (NMJ). The impulse from a healthy nerve is blocked or altered by the antibodies so it cannot reach the receptor site of the healthy muscle. This causes fatigue and weakness of the MG patient’s voluntary muscles.

The hallmark of MG is increased muscle weakness during activity but generally improvement occurs after periods of rest. The symptoms are manifest in muscles that control eye movement and eyelids, facial expression, chewing, talking and swallowing. Muscles that control the neck and limbs may also be affected, presenting a “heavy” sensation. Difficulty in breathing may also be involved. A patient may experience one, or a combination of these symptoms and vary from patient to patient.

MG can appear in all races and in both sexes from infancy to senior citizen. It occurs generally in women between ages 18 to 40, and in men after the age of 40. MG is not contagious or directly inherited. It is estimated that 20 out of every 100,000 people in the United States have MG.

Commonly prescribed treatment to reduce weakness and improve muscle strength are anticholinesterase agents such as pyridostigmine bromide (Mestinon) that enhance the NMJ. Corticosteroids (Prednisone) and immunosuppressive agents such as Azathioprine (Imuran) and Mychophenolate Mofetil (CellCept) suppress the patient’s abnormal action of the immune system. There are several other options available to treat MG. Recently developed treatment options interfere with antibody life cycle and activity. Most MG patients lead a fairly normal life when receiving maximum benefit from treatment therapies.

Our Organization

We organized in 1976 as a chapter of the Myasthenia Gravis Foundation of America. In 2015, we reorganized and obtained our own 501 (c)(3) non-profit status. From a nucleus of 18 patients we now serve over 500. MG-MI is dedicated to assisting patients and their families. This is accomplished through one-on-one contact, information and support groups, distribution of educational materials, counseling and lecture presentations. Through awareness promotion, the public learns more about this puzzling illness.

We provide the following services to patients under the direction of a part-time Director:

- * Information and Support meetings in several cities throughout Michigan. Patients and their families and friends learn about the illness by sharing tips on living with the condition.
- * Educational materials for patients, the public and medical professionals.
- * A network where patients connect with each other through the “Circle of Friends”
- * Newsletters featuring activities, medical and/or patient oriented articles.
- * Assist newly diagnosed patients in adjusting to MG and coordinating in-hospital visits upon request.
- * Host an annual Patient Education Conference that features renowned medical professionals.

We also collaborate with research in seeking improved treatment options and the cause and ultimate cure for MG.

Mission, Vision and Values

MISSION: The Myasthenia Gravis Foundation of Michigan is committed to our MG Community by providing patient support, community connections, education, and advocacy.

VISION: Living our best life with Myasthenia Gravis.

VALUES: **Advocacy**—our patients come first.

Compassion—We will treat everyone with dignity, kindness and respect, ensuring every individual has a sense of belonging

Transparency—We will be transparent with the clarity of our purpose.

Integrity—We will adhere to the highest ethical standards by being a cost-effective organization and good stewards of what we receive.

Collaboration—We will listen and learn from each other to increase our understanding, partnerships, resources and connections.

9:00 a.m. – Noon**

Cascade Township Park, 3810 Thornapple River Dr. SE, 49546

Join us for a morning of free fun while supporting the Myasthenia Gravis Foundation of Michigan (MG-MI). Adults and children will enjoy beautiful Cascade Township Park that features a 1-mile loop for walking, running, biking and rollerblading. See below for new attractions this year. In addition to promoting awareness of this autoimmune neuromuscular disease, funds raised will provide support for newly diagnosed and current patients through educational packets, support group meetings, referrals, and one-on-one support for patients and caregivers.

Events throughout the morning include:

- 9:00 – Noon – Yard games
- 9:00 a.m. – 5K fun-run (untimed, around the loop 3 times)

How can you help MG-MI raise funds.

- Collect donations or pledges from family or friends to sponsor you at the May 25 event.
- Conduct a DIY walk or run in your area and ask friends and family to pledge their support.
- Cash and checks, payable to MG-MI, may be brought to the event or mailed to the address below.
- Credit card or Qgiv via our website: <https://mg-mi.org/get-involved/donate/>. If you are sponsoring someone, don't forget to click on the “Dedicate this gift” button to include their name.

There is no registration fee. We are asking you, however, to help us achieve our event goal to raise \$15,000. We are also looking for volunteers to help at the event. Please contact our office to volunteer.

Come and MOVE with us!!
